

### HOW TO GET CONNECTED

Go to [www.hselibrary.ie](http://www.hselibrary.ie) and sign into your OpenAthens account using the left-hand panel. Select RESOURCES.

OpenAthens provides you with a username and password to access resources purchased by the library service 24/7 from any Internet-enabled computer. You can set up or renew your OpenAthens account on the library website at [www.hselibrary.ie](http://www.hselibrary.ie). Please ensure that you have your HSE employee number and a current accessible email address at hand when completing the online form. If you have any questions or access difficulties, please contact your local HSE South library for assistance.

### OTHER SERVICES AVAILABLE

#### Clinical Queries

Our librarians are expertly trained in locating best quality health information. We can carry out searches for you, or recommend how best to find the information yourself. Click on the "Submit a Research Request" panel at [www.hselibrary.ie](http://www.hselibrary.ie) to submit a question.

#### Training

We provide training on the use of all resources as well as a range of printed helpsheets, user guides, and online tutorials. Contact us for assistance in getting the most out of the resources available to you.

#### Other Services

Other services include book and multimedia loans, document supply (reprints of journal articles etc. not available online), current awareness bulletins, Internet access facilities, and more.
