Step 3 Your local Library

- Click 'your local library' from the top menu then select your regional library service to see their page and a listing of their resources

The screenshot shows the website header with the logo for the National Health Library & Knowledge Service and the Health Service Executive. The navigation menu includes 'Home', 'Services', 'Your Local Library' (circled in red), 'Research & Innovation', 'Evidence Informed Healthcare', 'Events', 'About HSE Library', and 'Help'. Below the menu is a 'Go back' link and a large photograph of a hospital courtyard. To the right of the photo is a list of resources available, including electronic journals, search tools, and databases.

- Book Catalogue
- CINAHL
- Clinical Key
- Cochrane Library
- DynaMed Plus
- E-Books (Athens Login)
- Embase
- EndNote Web
- JAMA
- JBI (Joanna Briggs Institute)
- Lenus: Irish Health Repository
- NEJM (New England Journal of Medicine)
- PubMed

Step 4

Research request

- If you need help with an in-depth literature search you can use the 'submit a research request' button.
- You will be asked to fill in details of your request and it will be assigned to one of the HSE librarians who will do a detailed search and send you the results

Submit a Research Request

Let us help you with your search using our Research Request Service to our team. They will search for resources that may help you and get back to you as soon as possible.
