HSE LIBRARY - HOW TO...
REVIEW & RENEW ITEMS ON
YOUR LIBRARY ACCOUNT

Your personal Library catalogue account allows you to view the items you have
on your library account and view your personal details. When logged into your
personal account you can see the items you have borrowed, renew them and
reserve items.

Step 1
Access the library catalogue by clicking 'HSE Libraries
by clicking 'HSE Libraries
by clicking 'HSE Libraries
catalogue' on the front
catalogue' on the front
catalogue' on the front
catalogue' on the front
catalogue' on the front
page of the website.

Step 2
You will need to use your
password to access your account.
Your username to access your
account will be firstname.lastname

NOTE: If you do not already have a
library borrowing account click
'register here' to set one up.

Step 3
If you have a library borrowing
account but have not accessed
your personal library details before
click 'forgot password' then enter
your login which will be
firstname.lastname and the email
address on your library account.
An email with a password will be
sent to you.

Step 4
Once logged in to your account you can see the items you have borrowed and their
due dates. To renew select the item & click renew, or select 'renew all' to renew all
items. You can also see your borrowing history, change your password or make
purchase suggestions to the library.

If you have problems accessing your account contact your local HSE library
