

Healthy Ireland at Your Library is available to all HSE staff registered with a National Health Library & Knowledge Service (NHLKS) OpenAthens account.

HEALTH INFORMATION

We have access to high quality journals, databases and point of care tools e.g. Clinical Key, CINAHL, UptoDate, BMJ Journals, NEJM etc. A full list of library resources are available from www.hselibrary.ie

BOOKS ON HEALTH AND WELLBEING

We have a large collection of ebooks and eaudiobooks on health and wellbeing. Download the BorrowBox app and sign in with your OpenAthens username. If you don't have an OpenAthens username, register here: <https://register.openathens.net/hse.ie/register>

Many local HSE libraries hold items that cover a wide range of health and wellbeing topics. Search our [library catalogue](#) for items you can borrow.

INFORMATION SKILLS TRAINING

Our experienced librarians offer an information skills training programme. Please contact [your local HSE library](#) for more information on this service.

PROGRAMMES AND EVENTS

The library will keep you posted about local HI events running in your area/organisation.
