Items in your library location

You can refine your search to return only titles available in your location only by selecting your local library site from the drop down menu of libraries on the right side.

National Loan Service

If the item you want to borrow is not available in your local library but is available at another NHLKS library site you can request a copy via our national postal loan service. To do this contact your local library and provide them with details of the item you want to borrow and it will be transferred to your local library for collection.

Contacting HSE Library

You can contact your local library or submit a query via the [HSE Library Virtual Desk](#)
